

## SHORT BIO

George J. Chanos, Esq. served as Nevada's 31st Attorney General. He's the Chairman of the 100+ store QSR franchise Capriotti's, a strategic business consultant, an author, and a speaker.

In November of 2012, he suffered a major heart attack. It inspired him to reduce to writing what he considered life's most important lessons. Lessons that he believed would help his family lead a happy, successful and meaningful life. His book, *Seize Your Destiny; A Road Map to Success*, available on Amazon, contains those lessons.

His second book, *Millennial Samurai: A Mindset for the 21st Century* takes a look at the technological revolution and how it will likely impact our lives over the next thirty years. <http://bit.ly/MillennnialSamurai>

Mr. Chanos has a common-sense approach to dealing with problems and a unique ability to understand and explain complex issues. He also has a clear vision and uncommon insights, concerning how anyone, regardless of circumstance, can overcome the challenges they face and go on to design and lead a happy, successful and meaningful life.

He writes and speaks about what he sees as our collective future, and offers important insight and advice, on how we can reach our individual and collective potential - in what promises to be a rapidly and radically changing environment.

### **A passage from Millennial Samurai reads:**

"To survive and thrive in the 21st Century, you will need to pivot and adapt to a rapidly and radically changing environment. You will need to engage in a process of lifelong learning, unlearning and re-learning. And you will need to learn how to think critically and guard against misinformation, all while surfing a tsunami of technological change."

Millennial Samurai has been called, "A Toolkit for the 21st. Century." It contains 182 chapters, only 1 to 3 pages each.

It offers inspiration, guidance and direction to those who are interested in making the most of their one and only life. You won't see the world the same way after reading it.
